

THE BOOK OF
FUGE

a story about life-changing camps

life-changing camps and events ...

EVERYBODY HAS A STORY.

Our story starts with God and when it's all said and done it will end with God. And every day in between we'll be busy making a place for students to add their chapter to this life-changing story.

When it comes to camp, we wrote the book. In fact, you're holding it in your hands, which means one of two things: You're thinking about packing your bags or you get a kick out of pop-up books.

As for us, we get a kick out of helping students **KNOW** God. We work really hard to show them what it means to **OWN** their faith because in the end we hope they'll make their faith **KNOWN**.

GUESS WHO'S COMING FOR DINNER? And for camp, too. *We'll make room at the table*—after all, we like to think of them as family. But we think of you that way, too.

Camp at our conference centers is a little bit like a family reunion. So come catch up with everybody at **Ridgecrest** or make your way to **Glorieta**. After all, you never know who will pop in.

Visit lifeway.com/fuge for dates and locations of speakers and worship leaders.

THERE'S A PLACE WHERE FACE PAINT *is not just an accessory, but a*

necessity. A place where your human pyramid will be disqualified if it doesn't go all the way to the ground. A place where in the middle of flour bombs, water balloons, and such lawlessness we actually ask teenagers to "run in their lanes only".

You remember it well, don't you—the sight of hundreds of students charging the field for Mega Relay? We live for that sort of thing.

CENTRIFUGE—A MILLION STORIES STRONG.

LONG, LONG AGO—WELL, MAYBE MORE LIKE 30 YEARS AGO—CENTRIFUGE CAMP BEGAN ON A WARM SUMMER DAY.

Using a few special ingredients: small-group Bible study, team-building recreation, special-interest track times, and powerful worship, we've figured out what works when it comes to creating an environment for life-change.

We're big on relationships. In fact, as a discipleship-based camp, we believe the best way to minister is through relationships.

THE M IN M-FUGE *is for manual—*

as in manual labor. That's right, your students will be swinging hammers, raking leaves, and serving soup. Actually, the **M is for missions** and manual labor is just a small slice of the pie. They'll be spending time working with kids at backyard Bible clubs, visiting the elderly, and using their creative sides to minister to others.

And sometimes that requires a little manual labor. But after all, a little hard work never hurt anybody.

M-FUGE: STORIES OF SERVICE. STORIES OF SACRIFICE. STORIES OF LIVES—CHANGED.

THERE'S NO QUESTION ABOUT IT—students want to be a part of a life-changing story. Small-group Bible study, worship, and hands-on mission experiences in cities across the United States keep students coming back to **M-Fuge**.

When it comes to the world, well, we treat it like it's our own backyard. *Making our faith known among the nations*—that's the heart of God's story and it's the heart of M-Fuge International.
